

PUPILS OF P. S. 39 SING AND DANCE TO AID VICTORY LOAN

Patriotic Entertainments Given
by Boys and Girls, Aided
by Wounded Soldiers.

The boys and girls of Public School No. 39, in East 155th Street, of which Miss Helen M. Hynes is principal, are doing good work for the Victory Loan. They have given two entertainments, and on next Friday evening will hold another. Large crowds attend all the meetings.

At the open air Victory Forum, Park Avenue and 49th Street, Monday afternoon, interesting exercises were held to further the Loan campaign and to speed up activity in American citizenship. Grouped on the steps and around the central column were 200 girls, whose chorus singing stirred the assembled throng. The songs, the waving flags and the graceful dancing showed what patient drilling will do to cultivate and develop the young.

Little Geisha girls danced Japanese dances, and twenty girls led the chorus singing. The girls wore white dresses and Liberty Caps, and their vocal talents aroused the enthusiasm of the large audience.

The entertainment rivalled in interest a concert being given by Gen. Pershing's famous band only a block away and the passing of several captured German cannon.

Another impressive affair was the second joint meeting of the Victory Loan campaign workers of Public School No. 39 girls and Public School No. 39 boys. Every seat was occupied. The entertainment consisted of a Liberty Loan pageant, "The Flag in Birdland," an original song written by Miss Donagan, and a recitation given in unison by class 53 girls. The boys sang for the first time a song written by William Guard, and gave a dramatic play, typifying "Justice." The entertainment was appreciated and enthusiastically applauded. Eight wounded men helped the pleas for subscriptions to the Victory Loan. The chief speakers were Judge John P. Cowan and former Justice George Whipple.

A. E. F. CRACK SHOTS OPEN TOURNAMENT

Private Beats Captain in Preliminary Event on Rifle Range at Amours, France.

LE MANE, May 7 (Associated Press).—The A. E. F. rifle and musketry competition, considered the greatest marksmanship tournament in the history of the United States Army, opened yesterday on the Amours range, near here.

The scores yesterday were preliminary—slow fire at 300 yards, 500 yards and 600 yards, and rapid fire at 200, 300 and 400 yards. Qualification scores will probably begin today.

Private Karl Kennedy, a former Texas National Guardsman from the 141st Infantry, stood at the top of the list with a score of 133 out of a possible 150. He beat Capt. Augustus B. Hale, 4th Machine Gun Battalion, a noted army shot, by two points.

Baron von Stengel Is Dead.
BERLIN, May 7.—Baron H. G. L. von Stengel, Secretary of the German Imperial Treasury from 1903 to 1908, is dead at the age of eighty-two. In the autumn of 1907 the financial affairs of Germany were in such a state that he had trouble in getting taxation measures through the Reichstag. The situation was further complicated by his differences with Prince von Buelow, and on Feb. 4, 1908, von Stengel resigned.

Did You Ever Stop to Think

how many miles you walk on ironing
day, and how many hundred pounds
of iron you carry?

It was recently testified that a restaurant waitress during a day walks ten miles and carries 1,500 pounds of dishes and food.

On ironing day how many steps do you take back and forth between the range and your ironing board? That is lost time. How many pounds of irons do you carry? That's wasted energy.
